Thank you, Adam. I have attached an updated chart reflecting the status of the CERCLA acceptability requests and determinations.

Best regards,

Aileen

Mike,

Be advised that per the forwarded email, Southwest Shipyards is on the list of acceptable facilities.

Please share a copy of the facility approved disposal profile and waste characterization sheet for the first waste that is planned to be taken there for disposal.

Ron,

Much appreciation for getting that letter out today. Now that we have a response from state, can I get a confirmed notification from you that SW is acceptable?

Thank you again

Adam
